

TOMATZU-MOCH
(Cat of the Earth)

DESCRIPTION:
The sculpture is a representation of the 'TOMATZU-MOCH' (Cat of the Earth), a mythical creature from the indigenous culture of the region. It is a large, colorful, handcrafted sculpture made of cardboard or paper, painted in vibrant colors (blue, orange, red, green, yellow, and purple) with intricate patterns. The sculpture has a large, expressive eye and a long, flowing mane. It is mounted on a wooden surface.
